Owing to the fact that we are not sending out a general catalog, and that we sell for cash only, we are able to make much lower prices than these plants usually sell for.

We are specialists in the plants shown in this list and regardless of price or where you buy, you cannot obtain finer stock than we will ship you.

Our terms are Cash and remittance must accompany order. Make all checks, drafts or money orders payable to Wagner Park Conservatories, Sidney, Ohio.

BARGAIN NO. 1 TRITOMA PFITZERI (Red Hot Poker Plant)

Rich, orange scarlet blooms borne on stems two feet high. In shape and color it resembles a red hot poker, hence the common name. Very attractive for the border and also valuable as a cut flower. Blooms from August to October.

1-year plants, 15c each; per doz. \$1.50
2-year plants, 25c each; per doz. 2.50

BARGAIN NO. 2 ORIENTAL POPPY

Large, scarlet, cup-shaped blooms with purplish black blotches in center. This is the true Oriental Poppy grown from root cuttings. Those grown from seed do not come true to color. Blooms in May and June.

1-year plants, 10c each; per doz. \$1.00
2-year plants, 20c each; per doz. 2.00

MAKING YOUR OWN COLLECTIONS

Should you wish to make your own collections, use the price which is printed opposite each plant name. For collections of 5 to 9 plants deduct 5% from the total. For 10 plants or over deduct 10% from the total.

EVERGREENS—For that Evergreen planting you have been wanting to make, but decided against it because large plants were too expensive. Why not plant some good, one-year Evergreens out of pots; well established plants with good root systems and each one having a ball of earth the same as the large plants. In three to five years you will have an Evergreen planting which would cost you, if you bought large plants, at least ten times the amount which these small plants will cost. Make up your order and mail it today. We will reserve them until you are ready to plant.

BARGAIN NO. 3

BUTTERFLY BUSH

Blooms the first season and from June until frost. Tapering panicles of lilac colored flowers, borne on long, graceful stems.

SEMI-HERBACEOUS — In some localities the tops die to the ground in winter but the root is perfectly hardy and will throw out new growth the following spring. Fine for summer cut flowers.

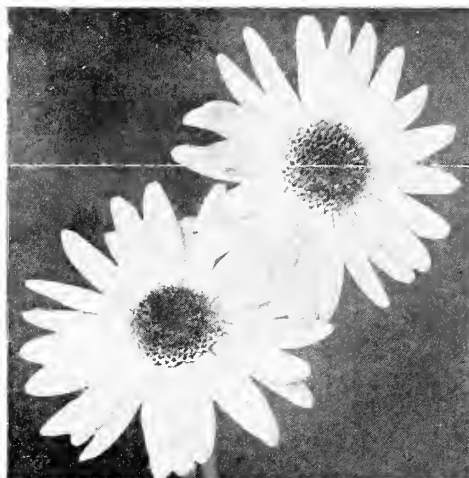

We can supply these in pot plants and field grown plants. The pot plants will make a 3-foot growth and also bloom profusely the first season.

Pot plants, 15c each; doz. \$1.50
Field grown plants, 25c each; doz. \$2.50.

BARGAIN NO. 5

PYRETHRUM HYBRIDUM (Painted Daisy)

One of the choicest of the perennials. Daisy-shaped flower ranging in color through shades of white, pink and red. Colors not separate. Flowers borne on stems about one foot high. Fine for cut flowers. The fern-like foliage is very attractive when the plants are not in bloom. Blooms during May and June. Pot plants, 15c each; \$1.50 per doz.
